

Crash Course on Common Core

Reading

- "What big drop in new standardized test scores really means," 8/7/13 Washington Post; reporter Valerie Strauss presents Principal Carol Burris' reaction to this year's tests
- "What is the goal of Common Core testing?" 8/5/13 dianeravitch.net

Math

- \$4.35 Billion from 2009 stimulus went to Race to the Top grants to implement Common Core Standards
- Grants run out in 2015. What is the price tag to continue?

History

- "Dear Hillary" letter by Marc Tucker; a blueprint for today's "reforms":
http://www.eagleforum.org/educate/marc_tucker/

Homework

- Sign Assemblyman Graf's petition supporting Bill A07994 to get NY out of Common Core and other Race to the Top requirements: www.fixnyschools.com
- Contact your local Senator and Assembly member to ask for common sense education reform legislation
- Visit www.stopcommoncoreinnewyork.com; watch the videos, read the articles
- Join us on Facebook in the group "Stop Common Core in New York State" / Follow @StopCCSSinNYS on Twitter

Field trip

- Visit your friends, family, and neighbors. Give them a copy of this flyer. Post flyers on public bulletin boards. Encourage others to learn and join the growing grassroots movement to get Common Core OUT of our schools.
