

# Our Children Are In Danger

Their education is being **STOLEN** by corporations.

Their privacy is being **STOLEN** by corporations.

Their schools are being **STOLEN** by corporations.

**And the Federal and State Governments are LETTING IT HAPPEN!**

If you want to give your children the same **ACADEMIC FREEDOMS** you had, we urge you to educate yourselves on the **Common Core Standards**, which your children are now learning in grades K-12.

The New York State Education Department (NYSED) forced this upon schools, teachers and administrators, *who are not allowed to speak freely about it.*

Learn about how *your child's personal information is being handed over by NYSED to a private corporation (InBloom)*, who will sell it to other corporations. Learn how **Pearson** has monopolized education in America by selling test prep, testing, and teaching certification. They own it all,  
**AND WE AND OUR CHILDREN ARE AND WILL BE PAYING DEARLY FOR IT!**

By **forcing** the states into the Common Core Standards, the Federal Government is ignoring the **10<sup>th</sup> Amendment** to the Constitution which gives **Educational Rights and Responsibilities to the States**. We, the People, cannot let this happen!
